Company Profile:

About the company:

Deluxe is one of the largest manufactures of furniture in Egypt. The company was founded in 1993. At first, We specialized in producing metal office chairs then we develop our production to include office and home furniture.

We gained experience from large number of businesses and projects that have assigned to us and opened by ministers, consultants and entrepreneurs from government and the private sector.

We are qualified team of sales, Engineers, customer service and maintenance team.
